Your past and indiscretions are your business . keeping them buried is hers. Jay Nova is a private eye. More than that she s a fixer . the right person to call at the wrong time. Armed with a semi automatic and hidden mind reading abilities she goes where others won t, to do what they can t, if the money s right. But when jobs get nasty and clients with things to hide may want her dead, she ll need more than a strong hustle and good aim to make it through. 5 Shots - a graphic novel collection about death, crime, deception and a mind reader caught in the middle - shows what happens when violence isn t the best answer . but the only one.
