Publisher: Foreign Economic and Trade University Press Pub. Date: 2010 - 11-01. Medical Affairs Law was written in 30 years of China s reform and opening up the occasion. 30 years of reform and opening up. China s economy has been rapid development in all walks of life have made great progress. but we. Should also pay attention. thinking that the development of new problems. Over the years. doctors treating patients. such as pro- mentality Xuanhujishi. and patients are often Wah re World. benevolence benevolence of the Thanksgiving mood returns. doctor-patient relationship is very harmonious. However. with the development of China s market economy. it is commendable physician-patient relationship has been increasingly weak. and more. both doctors and patients against each other. court. The reason why such a large physician-patient relationship changes occurred. not because. as medical services. patients in the biological properties of the object. what changes have taken place. but its social property has undergone tremendous changes. the most typical sign is the awakening of awareness of the rights of patients and expansion. This will require future medical students to medical colleges insight into this change and health perception is benevolence is human patients. Contents: Introduction Chapter One Section of medical law medical law. medical law. the concept of Origin II Section III Section IV of medical law on health reform and the medical services in the discussion of chapter II of medical legal relationship between health behavior and the first a legal relationship between medical practice Section III medical care behavior and medical legal issues related to the legal relationship of Chapter III Section I of patients rights and obligations of...
