The once-peaceful realm of Tresdain is suffering under the evil Wavlir, an invader determined to depose the high king and queen. Wreaking havoc across the countryside, he treads an inexorable path of cruelty, destroying citizens in his wake. The protectors of Tresdain, who grew complacent during an era of peace, have turned away from a land in need. Faith has been lost, and the people have no protection.or so they think. But out in the shadowlands there is hope: Kali, who has spent her young life obeying the voice in her mind that tells her to run, to stay solitary. Now, she is guided to a different fate, as she realizes that the fate of Tresdain might rest with her. As Kali learns about the responsibility given to her by her extraordinary gifts, a new world opens up to her. With swords, magic, and treachery, gryphons and ancient shape-shifting legends, the Wars of End will live up to their name. It is the end of an era.but what will rise in its place?.
