John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, The Findability Formula: The Easy, Non-technical Approach to Search Engine Marketing, Heather F. Lutze, To be successful in business you must be able to attract the right clients and persuade them to buy. However, on the internet, people only see what the search engines direct them to and the competition for those top spots is fierce. So how do you ensure that your business is front-and-center when prospects are searching for solutions? The answer is The Findability Formula. The Findability Formula is for anyone who wants to improve results from Internet marketing. The book is specifically written for business owners who are frustrated with a website that is not showing up in search results and not generating business. The Findability Formula will help readers understand how prospects and customers search for products and services on the Internet, and will show them, step-by-step, how to optimize their findability. The book will be a non-technical guide to effectively building and implementing, from the ground up, an Internet search marketing program that gets results. The reader will learn how paid search works, and how paid and organic search can work together to...
