With their husbands gone, these women are left to either fight to get their husbands released or struggle to keep the luxurious lifestyle they had grown accustomed to. Knowing that lawyers cost more than the average person makes, the sisters are thrust into a world that they know very little about. . . Tragedy strikes, shortly after they enter into the lifestyle of hustling. The sisters are thrown into the game even deeper, not knowing that the game preys on the weak and annihilates the feeble. Rape, murder, lies and deceit are just a few of the events that can either bring these sisters closer together or brutally tear them apart. Shadiness and lustful acts will lash out at these sisters and have them craving for blood and revenge. Will they fail or will they bring their husbands home **By any means**. . .
