Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from One Thousand Technical Books: A Selected List With Annotations Emphasizing Especially Elementary Practical Books Purpose - This list is the outgrowth of an attempt to make a comprehensive selection of elementary practical books suitable for men without formal technical training. It was found that the number of reliable books of just this type was very limited, and that various subjects of interest to the average library and to many men in the camps were not capable of treatment from this standpoint, or were not in fact represented by such books. A number of books which it was at first supposed would be suitable for inclusion were later rejected on account of lack of adequate revision or other objections. The plan was therefore modified. As now compiled, the list still embodies the original purpose and emphasizes both in selection and arrangement the elementary practical books. It includes, however, many books of a more advanced type, and aims to provide A.L.A. representatives and public libraries with a fairly adequate basis for strengthening. their technical collections in accordance with local needs. It also aims to be of help in the use of the collections they already have, and it is on this ground chiefly that many of the older but still useful books have been included. The list is believed to be a proper extension of the efforts of the A.L.A. War Service in the direction of vocational education in recent months, having in mind especially the discharged soldier and sailor and the new demands which they are making upon their home libraries. Limitations The list omits (1) Books for the general reader (2) Boys books and amateur...
