By -

Bloomsbury Publishing PLC, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Violence, Desire and the Sacred presents the most up-to-date interdisciplinary work being developed with the ground-breaking insights of Rene Girard s mimetic theory. The collection showcases the work of outstanding scholars in mimetic theory and how they are applying and developing Girard s insights in a variety of fields. Girard s mimetic insight has provided a fruitful way for different disciplines, such as literature, anthropology, theology, religion studies, cultural studies, and philosophy, to engage on common anthropological ground, with a shared understanding of the human person. The aim of this edited collection is to present this interdisciplinary work and to illustrate how Girard s insights provide fertile ground for bringing together disparate disciplines in a shared purpose. As academic work on Girard s insights is growing, this collection would meet the need to show the critical, interdisciplinary applications of these insights.
