New Generation Publishing, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dr Lionel Etan-Adollo did not know that he had actually emerged into a more universal and harmonious revelation and was actually doing Theology (until five months after his publication of the A-Z Model of the Word in 1995) at a time Christianity seemed to exist at the periphery of western civilization and Christians seem to miss out on what is happening in society and the universe whilst forgetting that God is the force working out through creation and His sovereignty remains forever. He believes the essence of the Holy Spirit goes far beyond what is generally understood, and the study of Theology (knowing God) is the king of the Arts and Sciences, and this is exemplified in his presentation of his two books, A-Z Model of the Word and The Word is Prophecy. Primarily, he believes the word of God must be understood in a global context and not in a subjective context. For instance in The Word is Prophecy, Prophecy is treated in a global context (as the word of God that is the book of Prophecy) so as to ensure better understanding of personal prophecies and Prophecy itself. His model of the Trinity (as revealed in the A-Z Model of the Word and The Prophecy Box) lifts our vision of God beyond words which cannot be given adequate representation, it leads our comprehension onwards to fuller understanding and to more valuable discoveries. Also his model fitted into different biblical issues are able to revolutionise and re-orientate the presentation of Christianity in the Church, classroom and society, and also provides insight into the possibilities of Christians in the wider society. At the depth of the study of knowing God must be deep...
