### **Reviews**

*This sort of publication is almost everything and taught me to hunting forward and much more. Yes, it is actually play, continue to an amazing and interesting literature. I am pleased to tell you that this is basically the best book we have read through inside my individual life and could be he finest book for ever.*

*(Enrique Ritchie Sr.)*

## JALSAGHAR (PAPERBACK)

Partridge India, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Praise for Jalsaghar -My hands memorize your hourglass waist. /Slow winds pass through distant sands, sifting grains. Imagine that beauty rethought in stanza after stanza. The ghazal is the Satie of poetry, sustained by the whirling dervish, its couplets braiding into the brain. Steffen Horstmann s Jalsaghar is a stunning homage to the late Agha Shahid Ali.- Terese Svoboda, author of Professor Harriman s Steam Air-Ship -A rapprochement with a formal tradition demands incisive cultural evaluation; an assay of a formal tradition -not one s own- demands that one become a naturalized citizen of a nation of poetry. The sure-footedness with which Steffen Horstmann navigates the ghazal form-a kind of poem often misunderstood in Anglophone practice-is a testimony to long and devoted study as well as to Horstmann s skill as a practitioner, his keen ear, and his passion for the possibilities of the kind of dEtente poetry offers: a genuine cross-pollination of the music, the landscapes, the souls of distant and yet always kindred lives.- T.R. Hummer, author of Skandalon -Steffen Horstmann s book of contemporary ghazals shows us the ways in which form-in this case precise, musical, devotional in its origins-can act as a vehicle for meditation. The rhymes and repetitions of the ghazal are part prayer, part spell, and as such they bind together in language the world of material things and the world of spirit, which is also a world of longing. Agha Shahid Ali brought the tradition of the ghazal into the center of our contemporary and American poetic repertoire; Steffen Horstmann has carried it into our young century, made it new.- Mark Wunderlich, author of The Earth Avails.
