*It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.*

## RESERVATIONS: A LOLA WICKS MYSTERY (PAPERBACK)

Llewellyn Publications,U.S., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Journalist Lola Wicks would much rather pursue a story than spend time with people she barely knows. So when an eco-terrorist bombing escalates the controversy surrounding a new coal mine on Arizona s Navajo Reservation, she s almost relieved to have a distraction from meeting her in-laws. But as the violence gets worse and Lola digs deeper, she can t escape the feeling that her husband s family is somehow involved--a suspicion that jeopardizes not only her marriage, but also her life. Praise: Compelling, realistically flawed characters and a timely story line, especially in the wake of the protests at the Dakota Access Pipeline, make this one of Florio s hardest-hitting mysteries yet. --Library Journal (starred review) Florio captures the culture and poverty on reservations still suffering from greed and mismanagement in a ripped-from-the-headlines story with a shocking ending. --Kirkus Reviews Reservations, the double entendre of its title echoing throughout, speeds to its shattering conclusion. --Montana Standard Packed with surprises, Reservations sends reporter Lola Wicks on a trip that sets a new standard for vacations from hell. Gwen Florio uses the stark isolation and rugged landforms of the Navajo reservation to help build tension to an explosive climax. Another winner from a first-rate writer. --Anne Hillerman, New York Times bestselling author.
