Pickwick Publications, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If theology at its best is knowing God and all things in the light of his reality, what is the nature of that knowledge? Of what can we be sure? Are there boundaries we must respect in pursuit of such understanding? To what extent can we know God, and what is the impact of that knowing? Little attention has been given in recent scholarship to the work of Emil Brunner (1889-1966), a Swiss pastor, professor, missionary, and theologian whose name is classed among the neo-orthodox thinkers of the last century. This lacuna is misleading, however, for his influence on modern theology persists. In *Believing Thinking, Bounded Theology*, Cynthia Bennett Brown explores the nature of and limits to theological thinking in Brunner's own work. What results from this study is an encounter with a thoroughly biblical, warmly pastoral, carefully intellectual, and insistently christocentric exposition of the Christian faith that remains relevant for theology and life today. Cynthia Brown writes with clarity and passion about Emil Brunner's enduring significance for Christian thinking. If Christian theology is to survive and flourish it needs to pay close attention to its purpose and methodology as well as its dogmatic content. Brown makes a strong case for Brunner as a guide for those claimed by both the need to be faithful to Divine Revelation and the demand to pay heed to contemporary human experience. --Richard Clutterbuck, Principal, Edgehill Theological College, Belfast Those of us who wonder whether theology today needs fewer and not more voices will make an immediate exception after reading Brown's volume. The author both rehabilitates this long-neglected theologian and persuades us that we neglect him today at our cost. With clarity and care, Brown...
