BIGGER N TEXAS is a roller coaster ride through the lives of people who make the horse the center of their existence. These cowboys, cowgirls, grooms, riders, trainers, horse owners and horse lovers are so passionate they defer to this bewitching beast the most important of life's decisions--where they live and work, when they eat and sleep, who they marry, even whether or not they raise a family. It is as if they realize that the horse can read their mind better than they can read that of the horse--which after you've owned horses long enough you begin to believe and is likely true. Getting to know these whacky people will be both entertaining and educational. In SWEET MENTAL REVENGE, for example, Merle, the red-headed barrel racer, will explain why she was in jail before she became a barmaid, why her ex-husband Kyle wandered off into the coastal hay patch and how her new live-in got the nickname Daddy Rabbit. Her new best friend Reba, who has a secret, had rather talk about why their boss wants to show every new female employee what is in the trunk of his Mercedes. Readers of the title story will end up knowing why handsome Guys famous Christmas party was BIGGER N TEXAS than in Oklahoma, why it was the whores almost didn't get there because of the firemen, and why RUBY FROM ALABAMA was as critical to both locations as the biscuits. This item ships from La Vergne, TN. Paperback.
