Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.Mike Southern's first putting book, Ruthless Putting, taught you how to turn your existing putting stroke into a scoring machine. Now he teaches you how to build a completely new putting stroke from scratch. When the USGA and the RA decided to outlaw anchored putting strokes in 2016, it caught many weekend golfers off-guard. Most had gone to the belly putter because they couldn't putt well with a regular-length putter. Those golfers are no longer sure what they should do. The Putt Whisperer explains exactly why the belly putter appears to help some players while not helping others. It teaches you how to build a personalized putting stroke that incorporates all the necessary fundamentals. And it includes drills to teach you how a good stroke feels, and a process to help you develop a stroke you can trust. But unlike other putting books, The Putt Whisperer contains an extended section discussing what it means to have a light grip pressure. Nearly 20 of this Quick Guide details the techniques you can use to adjust your grip pressure until you're putting with a repeatable stroke. Don't struggle to make putts. Become a Putt Whisperer!.
