Leonaur Ltd, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The history of the last days of Napoleonic France In 1812 Napoleon set out with his greatest army upon his most ambitious campaign-the invasion of Imperial Russia. It became a disaster that cost him an entire army-a body of men and material that could never be replaced and by the time this disaster was compounded by the defeat of the Battle of the Nations at Leipzig the decline of the First Empire was irreversible. What followed was a hard fought campaign as the French Army was driven back to and over its borders and which would only end in the streets of Paris itself. Now with his back to the wall Napoleon would fight some of his final engagements and demonstrate once again the magnitude of his military genius. This is the history of that campaign and an essential book for students of the Napoleonic era.
