Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Top Ten Strategies Penny Auction Players Never Want Exposed: The Tell-All on Penny Auctions and The Hidden Truths About Them Penny auctions have exploded across the internet. People are flocking to the opportunity to win amazing items from gift cards to Ipads for just pennies on the dollar. The auctions have passed the old and tired Ebay on the internet, and taken over as king of discounted shopping. These are fun and exciting, but also very challenging. You must have the knowledge and strategy to be effective on the auction. Without a smart plan in place, you will find yourself quickly out of money and bids. This book leaks out the secrets behind the auctions that players do not want exposed. This gives you the inside strategies they use and how they constantly win. Every little trick and hint that has been used on is revealed in this tell-all guide. Players do not want you to know the best time to bid, finding less competition, and using automation tools to your advantage. They hold on to strategies like jumping a bid, and budgeting because they use this to compete and win on the auction. Building a complete strategy prevents wasting bids needlessly. Having the correct approach to each auction mentioned in the book will allow you to play longer and have a better chance at winning. When you follow each strategy in this guide, you will never overpay that many new players fall victim to. Never pay for an item at face value. The strategies will guide you to a fun and exciting new experience competing on Penny Auctions.
