

## The Y -Method: How to Play Better Golf

By Strüever, Henning / Kull, Heidi

Condition: New. Publisher/Verlag: Neuer Sportverlag / Neuer Kunstverlag | A methodological way to learn the game golf | "Another book giving good advice on the subject of golf. Hasnt everything been said already?", you may ask yourself when looking at this pocket booklet. Well, there are plenty of golf books, some better than others. So why this guide? I want you to have fun while playing golf. I want you to enjoy the game of golf. You wont get monotone training instructions to improve your technical skills or the magic formula for the perfect swing. What I would like to share with you is my experience and my passion as a golfer and especially as a golf pro. There are no set procedures in golf that you can practice and muster up when needed. Every game of golf is different. It starts with the golf course itself. All courses have 18 holes, but they are all different. A player will meet different partners and opponents during a golf game and golf clubs and balls all vary. You repeatedly have to practice under changing conditions. Moreover, the reasons for playing golf are manifold. For some it is a recreational activity in the beautiful countryside,...
