Invention of Society

By Serge Moscovici

Polity Press. Paperback. Condition: New. 416 pages. Dimensions: 8.8in. x 6.1in. x 0.9in. This brilliant and original book sets out to dismantle the idea that movements, crises and other phenomena produced in society must be explained by exclusively social causes, without recourse to psychological explanations. The author argues that we should reassess the significance of psychological causes in human affairs. Whilst psychological causes are undoubtedly distinct from social causes, all social phenomena are events or facts brought about by human beings: it is their passions which stimulate their great political, religious and cultural creations. He discusses the work of Durkheim, Mauss, Weber and Simmel, and argues that only a productive interplay between psychology and sociology will do justice to the interdisciplinary character of their thought. Winner of the European Amalfi Prize for Sociology, *The Invention of Sociology* will be welcomed by students and researchers in sociology, social psychology, and the social sciences generally. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

The publication is straightforward in study safer to recognize. It is written in straightforward words and never hard to understand. It has been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affect the way I think.

-- Percy Bernhard

The publication is great and fantastic. It really is simplistic but surprises within the 50 % from the publication. Your daily life span will be change when you comprehensive reading this article book.

-- Althea Aufderhar
