### **Reviews**

*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. God created time. I sometimes feel there are not enough hours in a day. I am wrong. There are just the right number of hours, minutes, and seconds in a day. The question is, how am I using the time I have been given? Stress is the by-product of trying to fit too much activity in a short amount of time. The writers of the old Star Trek series imagined it right when they portrayed the characters being transported from one location to another instantaneously via the ionizer. Beam me up, Scottie! That is the ultimate fantasy. If I could travel that way, I would save two to three hours per day! So, what would I do with that extra time each day? Thank you, Heavenly Father, for giving me twenty-four hours in a day. I have eight hours to work, eight hours to rest, and eight hours to take care of myself, my home, and my family. Help me to appreciate every minute you have given me, and to avoid both over commitment and laziness. The most important thing to remember is that God is in control, and if I start to feel out of control, I just need to relax and let God handle it. I find it interesting that all the time I felt there was too much to do and not enough time, I was mistaken. I now find there is plenty of time to do what I need to do, and I even have time to write a book!.
