

Check Your Vocabulary for Natural English Collocations: All You Need to Improve Your Vocabulary

By Jon Marks, Alison Wooder

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Check Your Vocabulary for Natural English Collocations: All You Need to Improve Your Vocabulary, Jon Marks, Alison Wooder, Check Your Vocabulary workbooks are aimed at non-native speakers who want to build essential vocabulary and learn to speak fluent and natural-sounding English. For example, in English we use different words to describe different types of food when they go bad. We can describe meat as rotten, cheese as mouldy, milk as sour and butter as rancid - but we would not say sour meat, or rotten milk. Knowing how words are naturally used together is known as collocation. A good knowledge of these word combinations greatly improves the style of written and spoken language for non-native speakers. Knowledge of collocations is often tested in exams such as IELTS, TOEFL and TOEIC. Containing a range of word games, quizzes and exercises, this workbook will help intermediate learners to develop core language skills in a challenging, yet entertaining way.

Reviews

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).
