Corruption and International Business

By Dominik Bold

Grin Verlag Gmbh Okt 2014, 2014. Taschenbuch. Book Condition: Neu. 297x210x2 mm. This item is printed on demand - Print on Demand Titel. Neuware - Seminar paper from the year 2013 in the subject Business economics - Business Ethics, Corporate Ethics, grade: 1,5, University of St. Gallen (Institute for Business Ethics), course: Business Ethics in a post-crisis global economy, language: English, abstract: Until twenty years ago, the mitigation of corruption was commonly regarded as a taboo topic. Companies were able to write off bribes as expenses in their tax statements and did so, frequently. At the same time, large amounts of development aid fell into the wrong hands and disappeared into dark channels, causing a desperate resignation by the many passionate people involved. When World Bank director Peter Eigen began to engage with ending the 'systematic corruption' he saw in Eastern Africa, in order to protect the citizens involved, the World Bank intervened with a memorandum from its legal department. Since then, not only NGOs, but also international organizations such as the United Nations, supra-national bodies like the European Union (EU) and many national governments have enacted statements, policies and laws fighting all different kinds of corruption. Taking into account...
