Brand New Book ***** Print on Demand *****.Mycheal, an important angel, has just found three scrolls brimming with angelic energy. He secretly translates them--and learns, to his surprise, that a human will peacefully resolve the war of souls. Mycheal feels a change coming--a shift in power. When he finally discloses his find to the other angels, they decide to assign watchers to the case; soon, angel watchers arrive on Earth and begin their mission.Kemia Reid has always known she was different. As a child, she believed everyone could see or hear invisible people, just like she could. At twenty-six, however, Kemia has not heard from the invisible people in sixteen years--until now. Kemia is suffering from cancer and is resigned to dying. But when she suddenly realizes one of the invisible people has returned, Kemia demands he appear in human form.Xathaniel, a handsome male angel on his first Earthly assignment, tells Kemia that the angels are pleading for either healing or a special place in Heaven for her. Although Kemia wonders whether the angels are real, she knows she cannot pass up one last adventure, especially with a man who is tugging at her heart.As this dramatic saga unfolds, a group of angels concerned about their own shift in power must protect a terminally ill woman who has no idea she is about to reunite with her past and find the answers she so desperately needs.
