Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

DOWNLOAD

BRILLIANCE AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Now a celebrated war hero, Captain Kat Falcone is back at the helm of HMS Lightning and up against near-impossible odds. After an ill-timed outburst almost ends her career, Kat is handed command of a deep-strike mission into enemy space. The objective is to gather intelligence and distract the hostile Theocracy while the Commonwealth prepares its counteroffensive. The chances for success are slim and for survival even slimmer. Armed with a ragtag fleet of outdated starships, a few loyal officers, and a skeleton crew of refugees, Kat knows the Royal Navy expects her to fail. But failure almost certainly means death or worse, as the Theocracy does not treat prisoners kindly. Pitted against the enemy defenses of her old nemesis Admiral Junayd, there is no room for error. And with a spy hidden aboard her ship, Kat will need more than her wits to survive. Can Kat enter the lion's den, strike a blow for the Commonwealth, and escape with her life?.
