Assimilated into the Borg collective as a small girl, Being Human: The Seven of Nine Scripts follows her dramatic and often emotional transformation from mechanistic, ruthless and warlike drone to fully-fledged human once more. Captain Katherine Janeway is determined to prove that the small seed of humanity buried within the Borg shell is sufficient to enable Seven to rediscover the individuality, the personality and the free will that once belonged to Annika Hanson, human child. These four original television scripts enable the reader to relive moment by moment and line by line the battle to reclaim Seven of Nine.
