This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Walden, or, Life in the Woods, is an American book written by noted transcendentalist Henry David Thoreau. The work is part personal declaration of independence, social experiment, voyage of spiritual discovery, satire, and manual for self-reliance. Published in 1854, it details Thoreau's experiences over the course of two years in a cabin he built near Walden Pond, amid woodland owned by his friend and mentor Ralph Waldo Emerson, near Concord, Massachusetts. also known as Life in the Woods, is one of the best-known non-fiction books written by an American.
