Reviews

A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.
(Adrien Robel)

WITH BORGES (PAPERBACK)

SAQI BOOKS, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. In 1964, a blind writer approached a sixteen-year old bookstore clerk in Buenos Aires and asked if the latter would be interested in a part-time job reading aloud. The boy accepted, and for the following four years read to him, three to four times a week, from books by Kipling, Stevenson, Henry James and many others. The writer was Jorge Luis Borges, one of the finest literary minds in any era in any country; the boy (who did not consider himself especially privileged at the time) was Alberto Manguel, who would become internationally acclaimed as a prolific novelist, essayist, editor and bibliophile in his own right, intimately bound up himself with the pleasures of literature and of reading. In this slender volume, Manguel recalls those long-ago evenings when he would climb six flights of stairs to visit a darkened apartment (where the great man lived with his aged mother), which seemed to exist outside time . Despite the urging of his aunt, who recognised the extraordinary opportunity to draw close to a living legend, Manguel took no notes during these sessions because he felt too contented : the conversations with Borges were what, in my mind, conversations should always be about: about books and about the clockwork of books, and about the discovery of writers I had not read before, and about ideas that had not occurred to me. Part memoir, part biography, and all celebration of the living quality of literature, Manguel s reflections on the works of Borges and of the writers he admired form a portrait in mosaic of this enigmatic figure, and describe an important stage in the formation of a world-class reader.
